Study Guide for:

Earthwork, Drainage, and Levees

The examination for 7-11 Earthwork, Drainage, and Levees is a 35 question, multiple choice, CLOSED BOOK examination covering all aspects of earthwork, drainage, and levees. The examination is based on practical knowledge of work performed in the field. For qualifying party candidates who will be taking this examination and who feel they may have areas of weakness in their knowledge, the following book may be useful as a study aid:

Moving the Earth: The Workbook of Excavation; Nichols, H. L.;
North Castle Books; Greenwich, CT.
